3.0 Timber Products

3.1 Roof Systems

- Structural

3.2 Ceiling Systems

- Structural

3.3 Floor Systems

- Structural (Raised Floors, Decks etc.)

3.4 Staircases

- Structural

3.5 Doors and Windows

- Completed Items

3.6 Finishes

- Ceilings
- Wall Paneling
- Floor (All Types)

3.7 Furniture Items

- All Types

4.0 Iron Monger, Steel Work & Aluminium Products

4.1 All Types of Monger

- Brass
- Stainless Steel
- Steel

4.2 Steel and Cast Iron Work - Gates and Fences

- Hand Rails and Balustrades
- Security Grills
- Doors and Windows

4.3 Plumbing Items

4.4 Aluminium Work

- Doors and Windows
- Ceilings
- Roof Frames
- Any Other

5.0 PVC Products

5.1 Plumbing

- All Items

5.2 Flooring

5.3 Roofing

5.4 Any Other

6.0 Plastic Products

- 6.1 Plastic Sheets
- 6.2 Plastic Toilet Products
- 6.3 Plastic Furniture
- 6.4 Roofing
- 6.5 Any Other

7.0 Ceramic Products

- 7.1 Toilet Fittings
- 7.2 Wall & Floor Tiles
- 7.3 Ornamental Products
- 7.4 Any Other

8.0 Furniture Products

- 8.1 All Types of Timber Furniture
- 8.2 All Types of Steel Furniture
- 8.3 All Types of Plastic Furniture
- 8.4 Pantry, Living Room, Bed Room Cupboards
- 8.5 Furniture Settings

9.0 Furnishing Products

- 9.1 Curtain Materials
- 9.2 Cushioning Materials
- 9.3 Carpeting Materials
- 9.4 Rugs
- 9.5 Tapestries
- 9.6 Any Other

10.0 Garden & Outdoor Products

- 10.1 Garden Tools
- 10.2 Garden Chairs and Tables
- 10.3 Garden Ornaments
- 10.4 Any Other

11.0 Electrical Products

- 11.1 Cables
- 11.2 Electrical Fittings
- 11.3 Lamp Shades
- 11.4 Any Other

12.0 Health & Safety Coatings

13.0 Health & Safety Products

14.0 Artifacts

14.1 Pottery (Ceramic/Clay)

14.2 Wall Hanging

14.3 Stained Glass

14.4 Sculptures

14.5 Any Other

15.0 Miscellaneous Products

ANNUAL PRODUCT AWARDS - 2025
APPLICATION FORM
(Valid only for a single Product)

1.0 PRODUCT / MATERIAL INFORMATION

NAME OF PRODUCT	CATEGORY			CODE NO. (Appendix 1)
	01	Locally made products and materials		
	02	Locally made products and materials using local and imported materials and equipment		
	03	Imported products and materials that cannot be manufactured in Sri Lanka under the prevailing conditions		

2.0 APPLICANTS INFORMATION

Name of Organization & Company Seal			
Address			
Authorized Person for Correspondence			
Contact Details	Telephone:	E-mail:	

(Note: Please use as many A4 sheets as required to fill the following questionnaire)

3.0 Applicant's Statement for Category Eligibility

a.	For which category from Item 1.0 is the material/product eligible?
b.	Provide brief explanation for a. above
c.	List of attachments

4.0 Applicants Statement for Product/ Material Innovativeness

a.	Explain briefly novelty of the idea
b.	Architectural value and other aspects / Usefulness for architects in their projects / Whether the product has all the components, which complete it?
c.	Possibility of improving / potential for value added with time/Potential for continuity / Cost of the product
d.	Does the new product compete with other local manufacturer?
e.	Can the product/material be recycled/ up cycled or re-used?
f.	List attached documents/proof documents/reference documents/catalogue

5.0 Applicants Statement for Product/Material Sustainability

Environmental Considerations	
a.	What is the waste output and treatment of waste during production / during installation?
b.	Expected life cycle/ sustainability of the materials used/ product/ Can the waste materials be recycled? /Environmental impact in the disposal of material/ post production usage?
c.	Any other green/sustainable features of the materials/products

6.0 Technical Information

a.	Standard Technical Drawings and Specifications
b.	Test Reports and Standards
c.	From commencement to conclusion (Lead Period)

7.0. Applicants Statement for Cost Effectiveness

a.	Cost details and Cost comparison with competitors (if any)
b.	Cost of the Material/product and annual sales volume

8.0. Applicants Statement for effective use of Product/Material in the Sri Lankan Building Industry

Client Service & Satisfaction	
a.	Availability of material/product: a) Is material/product freely available? b) Is there a waiting period after placing of order? c) If yes, specify time period
b.	Does the company provide satisfactory service from placing of order to completion and after sales? Does the company provide proper instructions to customers on how to use the product? Does the company provide free consultancy when an issue arises (during installation)

ANNUAL PRODUCT AWARDS 2025

Get Your Innovative Products and Materials Recognized by the Sri Lanka Institute of Architects An Opportunity for Manufacturers and Suppliers in the Building Trade

The Sri Lanka Institute of Architects (SLIA) is committed to recognizing and promoting exceptional products and materials within the Building Construction Industry in Sri Lanka. This initiative aims to enhance architecture by supporting innovative solutions and aligning with the Sri Lankan government's drive to encourage the use of locally produced materials.

Participation Benefit

This is a unique opportunity to gain recognition and elevate materials and products within the architectural community and in the industry. Those selected will receive SLIA's prestigious stamp of approval, acknowledging their contributions to the community. Outstanding products will be honored with Awards of Excellence, Merit, or Certificates of Appreciation and will be prominently featured at the Inauguration Ceremony of SLIA's Annual Sessions 2025.

Award Categories

Products will be evaluated based on criteria such as Innovativeness, Sustainability, Cost-Effectiveness, and Exceptional Use within the industry. The awards will be categorized as follows:

- **Category 01** : Locally made products and materials
- **Category 02** : Locally made products and materials utilizing both local and imported materials and equipment
- **Category 03** : Imported products and materials that cannot be manufactured in Sri Lanka under current conditions

Application Process

Manufacturers and suppliers are invited to submit their applications under the relevant categories.

For more information and to submit your application, please visit SLIA's website www.slia.web.lk, Facebook or contact the Manager, Professional Affairs Board, at 0112 689900 / 0112 682382. (E-mail: sliapab@architects.lk)

Applications can be downloaded or obtained from SLIA and will be accepted until **10th October 2024**.

An initial fee of Rs. 20,000.00 + Govt. Taxes will be charged for each product submission. Payments are to be made by cheque drawn in favour of **"Sri Lanka Institute of Architects"**.
